

IAM MSc Course Requirement

Student name:

Supervisor(s):

Home department:

MSc thesis option (*choose one*): 12-credit / 6-credit / 3-credit essay

IAM master's students must take (or have taken previously) a minimum number of 500-level mathematics courses from the IAM core areas (<https://www.iam.ubc.ca/iam-ca1/>), depending on which thesis option is chosen. Upon completion of your courses, submit this form (signed by your supervisor) by email to admin@iam.ubc.ca.

12-credit master's thesis + 18 credits of coursework

6 credits **minimum** 500-level Math courses in at least 2 IAM Core Areas; 3 credits **minimum** outside home department

6-credit master's thesis + 24 credits of coursework

6 credits **minimum** 500-level Math courses in at least 2 IAM Core Areas; 6 credits **minimum** outside home department

3-credit master's essay + 27 credits of coursework

12 credits **minimum** 500-level Math courses in at least 3 IAM Core Areas; 6 credits **minimum** outside home department

Graduate-level courses taken as an undergraduate at UBC can be counted toward the requirement, on approval from your supervisor(s) and the IAM director.

Course #, Department: Title	Level (e.g., grad, 4 th -yr undergrad)	Term taken or planned (e.g. 2019 fall)	If complete, Grade
